

POWER steamer 1 + 2

Steam cleaning unit for manual filling or with automatic filling

tool
included

easy use

compact

smart
control

Particularly durable heating system – the heating element is cast inside the floor of the boiler to protect it against water, limescale, and the chemicals used during cleaning

High functional reliability and dependability thanks to a real-time calcification indicator

Simple cleaning of the pressure tank thanks to an extra-large service opening

*Non-stop steaming power
makes work easy*
